Current Affiliation *

Present Occupation (if not enrolled as Student)

Conservation Experience

List your conservation experience. Give name of institution/museum/site, name of supervisor, and date.

Special qualifications and other relevant information

SAMPLE

Please specify your preferred dates:

Personal Statement

Please attach a personal statement explaining your interest in the Conservation Internships of the Agora Excavations. Please discuss more fully your qualifications, previous conservation experience, career goals and interest, and any other relevant information. This essay should not exceed more than one side of one page (8.5 x 11 or A4). Only PDF documents are accepted.

Attach Personal Statement *

no file selected

Medical Statement

Because archaeological conservation involves hard physical work in a hot summer climate, it is important for applicants to state clearly any known medical conditions or disabilities which might be aggravated by fieldwork, e.g., asthma, low tolerance to intense heat and sunlight, heart condition, diabetes, epilepsy, allergies, or impaired sight or hearing. If accepted, the intern will be required to fill out the School's detailed medical and insurance forms. Only PDF documents are accepted.

Attach Medical Statement

no file selected

Referees

Give names and addresses of two persons whom you have asked to write in support of your application. They should be familiar with your academic studies and/or conservation work. References should be postmarked by 15 December 2016, and mailed to the following address:

Maria Tziotziou
Head of Conservation
Agora Excavations
American School of Classical Studies at Athens
Soudias 54
GR10676 Athens
GREECE
