MULTI-COUNTRY RESEARCH FELLOWSHIPS

PROGRAM OF THE COUNCIL OF AMERICAN OVERSEAS RESEARCH CENTERS

The Council of American Overseas Research Centers (CAORC) Multi-Country Fellowship Program supports advanced regional or trans-regional research in the humanities, social sciences, or allied natural sciences. Preference will be given to candidates examining comparative and/or cross-regional research. Fellowships for Multi-Country Research are funded by the U.S. Department of State's Bureau of Educational and Cultural Affairs through a grant to CAORC. Please visit <https://www.caorc.org/where-we-work> for a list of participating overseas research centers.

Eligibility: U.S. citizens who are doctoral candidates having completed all Ph.D. requirements except the dissertation and postdoctoral scholars at all levels. Applicants are eligible to apply as individuals or in teams. Scholars must carry out research for a minimum of 90 days in two or more countries outside the United States, at least one of which hosts a participating American overseas research center.

Duration: Minimum of 90 days.

Terms: Fellowship stipend up to \$10,500 awarded by CAORC. Fellows may travel and carry out research between the period of May 2018 to November 2019. Recipients may not hold any other federally funded grant at the same time, such as a Fulbright or NEH Fellowship. School fees, travel expenses, and living expenses are to be paid out of the fellowship stipend by the recipient. A final report is due at the end of the award period, and the ASCSA expects that copies of all publications that result from research conducted as a Fellow of the ASCSA be contributed to the relevant library of the ASCSA.

Please note that for the 2018-2019 academic year, the Blegen and Gennadius Libraries may be closed for up to six months between January and June for reorganization; members of the School will continue to have access to other facilities of the School and other libraries in Athens.

Application: Please check the CAORC website for application and deadline details at <http://www.caorc.org>. The fellowship program will be open for applications starting September 1, 2017.

Deadline: January 31, 2018

Upon notice from CAORC, successful applicants intending to use the School *must* immediately submit the ASCSA Visiting Associate Member application with a copy of their CAORC application online at the ASCSA web site at: <https://ascsa.wufoo.com/forms/ascsa-associate-membership-application/>.
