## BULLETIN

### MULTI-COUNTRY RESEARCH FELLOWSHIPS

FROM THE COUNCIL OF AMERICAN OVERSEAS RESEARCH CENTERS

- Those Eligible:** Doctoral candidates and postdoctoral scholars at all levels. Applicants must be U.S. citizens.
- Purpose:** To provide support for individuals whose research has regional significance and requires travel to multiple countries, at least one of which hosts an American overseas research center such as the American School. Fellowships for Multi-Country Research are funded by the Bureau of Educational and Cultural Affairs of the United States Department of State through a grant to the Council of American Overseas Research Centers. Please visit [www.caorc.org](http://www.caorc.org) for a list of overseas research centers.
- Duration:** Minimum of 90 days.
- Terms:** CAORC awards a fellowship in the amount of \$9,000 for all centers. Funds are available from April 2010 through August 2011. Recipients may not hold any other federally funded grant at the same time, such as a Fulbright or NEH Fellowship. School fees are to be paid out of the fellowship stipend by the recipient. Fellowship does not include travel costs, housing, board, and other living expenses. A final report is due at the end of the award period, and the ASCSA expects that copies of all publications that result from research conducted as a Fellow of the ASCSA be contributed to the relevant library of the School.
- Application:** For details, contact CAORC at: [fellowships@caorc.org](mailto:fellowships@caorc.org), Tel. (202) 633-1599, or visit the CAORC web site at [www.caorc.org](http://www.caorc.org).
