## **RESEARCH PROFESSORSHIP 2010-2011**

### **Malcolm H. Wiener Visiting Research Professor at the Wiener Laboratory of the American School of Classical Studies at Athens**

- Term:** Early September to June 1, to coincide with the American School's academic year. It is expected that the applicant will maintain a physical presence at the Wiener Laboratory.
- Compensation:** Maximum \$35,000 stipend for nine-month project. Waiver of School fees. Housing provided by the School. Hotel and transportation on all fall School trips and transportation on all winter Attica excursions. Board at Loring Hall for the Wiener Laboratory Visiting Research Professor only. Residence permit and office supplies.
- Qualifications:** Postdoctoral scholars and professionals in fields relevant to the research interests of the Wiener Laboratory of the American School, including: physical anthropology, zooarchaeology, geoarchaeology and environmental sciences.
- Application:**
- Cover letter naming the applicant, current research interests, and title and brief description of the proposed research project.
  - Statement (up to 3,500 words) of the proposed research project to be completed during the term of the professorship, including research goals, explicit methodology to be used and relevant bibliography, materials and collections to be studied, timetable and publication schedule, equipment/resources needed while at the Wiener Laboratory, and the reasons the project should occur in Athens at the Wiener Laboratory.
  - Copies of permit(s) from relevant authorities and letters of permission from excavation or project directors to study proposed materials.
  - One page description of proposed Wiener Laboratory contribution to the academic program. Candidates who can enrich the teaching mission of the School, by offering seminars, fieldtrips or other contributions, will be particularly welcome.
  - Budget. Itemize in as much detail as possible, including living and research expenses.
  - Curriculum vitae* with list of publications.
  - Two letters of reference from scholars in the field commenting on the value and feasibility of the project.
