**By Taxi:**

Direct your driver to Σουηδίας 54/Souidias 54, in the Kolonaki district of Athens. The School entrance is located at the corner of Souidias and Gennadiou Streets, and it is directly above Evangelismos Hospital.

**By Metro:**

Take Line 3 (the blue line) to Evangelismos. After you pass the ticket barriers, proceed towards the left hand exit (towards Evangelismos Hospital) and proceed up the escalator. Turn left at exit onto the street and continue walking down Vasilissis Sofias Street, in the direction of the Hilton Hotel, which you will see in the distance. After 170 meters (575 feet or 190 yards), you will take the first left onto Gennadiou Street (which lies directly across from the Hilton Hotel and the large 'Running Man' sculpture in the median). Continue up Gennadiou Street for three blocks. There, you will find the entrance to the School directly on your left and our guard house, immediately across from the Gennadius Library.
